Townhouses in the New and Exclusive Development "Alma de Faro"

This exclusive development is located in a unique and captivating location, overlooking the Ria Formosa Natural Reserve, surrounded by pine trees and greenery, where you can take wonderful walks all the way to Quinta do Lago. The historic center of Faro is just 2.8km from this fabulous location. These two-story townhouses have a 170m² construction area on plot sizes of 238.5 – 351.11m², each of them has 3 bedrooms and 4 bathrooms. With prices ranging from €680.000 to €1.400.000. Each property has its own swimming pool (optional), outdoor terrace, and garden. The project was designed by PLAN – Associated Architects, they are widely known for the master planning of the renowned Quinta do Lago Resort and winning awards such as the Architizer A+ Award and the CNBC International Property Award. PLAN specializes in bespoke architecture and local sustainability with global standards. They have a multidisciplinary team dedicated to creating a balance between aesthetics, functionality, and innovation. For more information on availability,
